

AGEOFF® Instant Ingredients?

AGEOFF® Instant 90-second-facelift is a powerful anti-wrinkle serum that delivers both **immediate & long term** wrinkle reduction effects. Expect results from the very first application with its proprietary formula combination including both **argireline®** and **LIFTONIN®-XPRESS**.

argireline®

The first hexapeptide that works like BOTOX®¹ - without the needles. Clinically proven to reduce expression lines by naturally reducing muscle contractions reviving the skin and minimizing the appearance of fine lines and pores for Flawless Skin™!

LIFTONIN® - XPRESS

Derived from Crimson red algae from the red sea, this compound immediately tightens and smooths various types of wrinkles in a highly effective manner providing immediate and noticeable tightening effects within the first 5 minutes of application.

WHEN YOU NEED TO LOOK YOUR BEST, TRUST NON-INVASIVE AGEOFF® INSTANT!
